

EEC Certified Teacher

EEC Certification is a necessary requirement for this role.

Bedford Children's Center Childcare is seeking EEC Certified Infant, Toddler and Preschool teachers to join our professional team of early childhood educators. Ideal candidates will be nurturing, professional and have experience planning developmentally appropriate curriculum. Our programs are designed to offer children an educational experience which allows them to develop to their fullest potential in a safe, happy and enriching environment.

This is a wonderful opportunity to help children develop and provide a happy environment where parents entrust you with their children. This role is not only one of teacher but of teammate, communicator, nurturer and sometimes, super hero.

The Bedford Children's Center offers a nurturing learning environment with age-appropriate activities for infants, toddlers, preschoolers, and school-age children. With years of dedicated experience, BCC and its staff partners with parents, their children, and the community to provide a childcare village, ensuring that every child has the best possible experiences each and every day! We take great pride in knowing that you put your children in our care, and you can trust that everything we do is focused on their well-being and development. Our goal is to help support you in your journey as a family.

We offer our teachers a professional benefits package, competitive salary, a supportive work environment and paid planning time.

We are conveniently located a short drive from Route 128N&S, Route 3, 495 and Route 2. To apply please email your resume including all qualifications and salary requirements to bccdaisy@gmail.com
